FAZIL YOUSAF

(FOUNDER / MD)

At Studylinks, reliability and excellence are our top priorities. In order to provide our students with the greatest education possible, we meticulously assess universities. We take great effort in evaluating and choosing only the best universities with top-notch infrastructure to suggest to our students. We are dedicated to assisting our students in their academic endeavours.

MOHAMMED RAFI

(DIRECTOR)

Our focus on student satisfaction has helped us win the respect of both students and parents. Because of how well we have served them, parents have become our strongest advocates, telling others about their positive experiences with us. We are committed to uphold this standard of excellence for all of our students.

ABOUT US

About Us

The pioneer in domestic and overseas education consultancy since 2009, Studylinks International is running under the company named as Studylinks Solutions Private Limited.

Facilitating best educational opportunities in both national and prestigious universities abroad. We rightly set the academic goals for aspiring students. Complementing the aptitudes of students, we recommend nothing less than the best in their academic pursuit. Relieving you of uncertainties and confusion regarding the career options, we can serve you by providing the best counselling and guidance to help you make the right decision.

STUDENT GALLERY

PRE-DEPARTURE BRIEFING

Pre departure briefing is a complete information package that ensure the student is sen sitized towards the country they are going to. It aims to make the students self sufficient and capable to survive in a new environment. It's a platform where all students can meet each other along with their parents so that they feel secure while travelling. University representatives will be providing information to students about the universities and the rules to be followed in their countries

TESTIMONIAL

South Kazakhstan Medical Academy

(Kazakhstan)

ANANTHADEV

As I was unaware about many things, I had several doubts regarding the admission and other procedures. I was guided very well for each of my Query by Studylinks Team. I am contented and happy with their services.

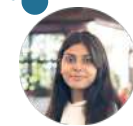

FARHANA SHERIN

I am thankful to Studylinks International to guide me to make my dream come true. And I was not disappointed. Hails from the city of Vadakara, Calicut, my parents were worried about sending abroad, but all thanks to the Studylinks Team for providing support from the admission process to safely accompanying with us to the university.

Kuban State Medical University

(Russia)

AMANDA

Myself Susaine, I have taken admission to Kuban State Medical University through Studylinks International. While considering to study abroad, Russia was my preference and Studylinks Team guided me to choose this university, where there is a great environment for new experiences.

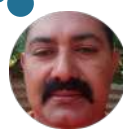

AROMA

I am Aroma from Mumbai and I highly recommend Studylinks International, they will help in every aspect of choosing, applying and going to university. Such a fine and organized team. I am happy because every procedure was handled smoothly by them. Thank you, team Studylinks.

Ivanovo State Medical Academy

(Russia)

ABDULLA VP

I am Abdulla VP, Sub Inspector of Police State Special Branch. My son, Aman V Abdulla wanted to pursue MBBS and was planning to travel to abroad for it, that's when we came across Studylinks International. They took care of everything and guided us professionally.

Medical University (Pleven)

(Bulgaria)

AMANDA

I choose Bulgaria because I wanted to get a world-class education. I encountered excellent, friendly & efficient service from team of Studylinks International. And was properly guided and the entire process was hassle free

The University Of Georgia

(Georgia)

SREENIVASAN

We decided to send our daughter Amrutha to abroad for her medical degree and we had many options to choose, Studylinks International played a role of mentor to our daughter in choosing the one of the best university in Georgia. We are pleased with the experience and services provided by Studylinks International.

TESTIMONIAL

Georgian National University Seu

(Georgia)

PRAKASH

My son, Sidharth was been passionate to do his MBBS in Georgia. His desire to study in abroad lead us to Studylinks International. It is an absolute encouragement, not only for the child, but also for parents like us who work to see their child get to their dreams. And we are grateful for the representatives of Studylinks for their support.

Batumi Shota Rustaveli State University

(Georgia)

JOSIN JOHN

I'm delighted to get admission to study MBBS in Georgia through a very helpful and authentic consultancy. I am very thankful to Studylinks International for giving me an opportunity to fulfil my dreams to be a doctor. Special thanks to the team for clearing all my doubts.

Nicolae Testemițanu State University of Medicine and Pharmacy

(Moldova)

ASHIF

I am Ashif from Malappuram and I took admission for MBBS in Moldova. Going abroad for studies was a big concern for me and my parents, but Studylinks removed all our doubts by assuring us the safety and explained us about Moldova. I would praise the patience level of team Studylinks International to listen and solve many of mine and my family member's queries.

Azerbaijan Medical University

(Azerbaijan)

FADHIL

Myself Fadhil, has been a resident of UAE. I am sure every student would have a difficult time deciding a country and university. I personally didn't have no idea on what to do and I was so glad I found Studylinks International. The team have exceeded my expectations and I would recommend their services to any person hoping to study abroad.

Western Balkans University

(Albania)

SAHADIYA

I am Sahadiya, joined WBU for Nursing through Studylinks International. I really had a great experience with Studylinks and a very good opportunity to do my higher studies in Albania. They have provided me with clear cut options and opinions. Thank you, Studylinks.

Kazakh National Medical University

(Kazakhstan)
